Mediterranean Nature
on your body

Cosmetics formulated by preparatory pharmacists.
A new concept of daily personal hygiene and wellness,
gentle and natural, designed for the whole family.

Biotè is born from *pharmaceutical research* and from the love of Mediterranean nature

Biotè preparatory pharmacists, united by their passion for studying the beneficial plants of the Mediterranean, have created a line of cosmetics formulated with organic active ingredients. Quality, safety and tested products for a new concept of daily personal hygiene and well-being.

“ Every Biotè product is a sensorial and gently enchanting experience that tell about perfumes and atmospheres of a vital and welcoming land ”

With ingredients
from organic agriculture
and vegan
